

Welcome to

SOUTH SHORE CHRISTIAN ACADEMY

ROOTED IN CHRIST,

DRIVEN BY KNOWLEDGE,

EMPOWERED IN COMMUNITY.

ABOUT SSCA

South Shore Christian Academy, a **NEASC Accredited school**, is an independent, non-denominational, co-ed day school educating students from Preschool through Grade 12. Every day, dedicated faculty and administrators work to prepare the students for college and life by **integrating Christian faith, rigorous academics and core values** – honesty, respect and a Christ-like attitude – to create a strong foundation for success.

Founded in 1994, SSCA aims to provide a liberal arts education with a distinctly Christian worldview. Our students are taught to maintain a high level of intellectual and spiritual integrity, **equipping them to actively engage and apply God's truth in the world around them.**

SSCA is a diverse community serving more than 248 students from different racial, economic, and Christian backgrounds. Currently our students represent more than 88 churches from more than 40 towns in the greater Boston area.

THE STUDENT EXPERIENCE

Reflections by Laila Boykin, Grade 11

The authenticity of South Shore Christian Academy cannot be ignored. The world around us whispers this question in our ear: *Are they really who they say they are?* However, in the eleven years I've roamed these halls, I've never had to ask this question in this environment that watched me grow up.

Safety is perhaps the first thing children seek when they enter a new environment. It is the cushion that allows us to learn and grow, and the bubble that protects us when we stumble and fall. SSCA has elevated me at my highest, but it has also cradled me during my lowest. Do you know the saying, "Home is where the heart is"? The leaders at SSCA take that quite literally. This school wouldn't affect me at all if it was simply a pile of bricks and some cement. It is the people that create the environment: the children, the teachers, the leaders of this school each individually add a little bit of their special essence and create a painting that is too beautiful to describe. My experience has been rooted in instruction, which has led to my emerging sense of independence and identity.

SSCA isn't spitting us out the moment we graduate and leaving us to our own devices. Instead, it is gently preparing us for the world we are about to enter, offering us morals to guide us and lessons to refer to when things get tough. Yes, independence may mean the cushion of

safety isn't as soft for the young adults we are about to become; but SSCA offers us a compass to lead us home when we feel suffocated by the smog of the world.

For me, the teachers at SSCA have been a steady guide through the ups and downs of adolescence. They remind me that my identity isn't in athletics, academics, or extracurriculars. In reality, my identity is rooted in Christ. These days it is simple to rate your character by how many followers you have or how many good deeds you completed this month. But those things fall away and are never permanent. Humanity requires a steady variable in order to deflect our manner of chaos. Items are never eternal. Neither are connections. When we maintain a relationship with the One who came to save us personally, we'll find the other areas of our life start to reflect that relationship. This lesson they taught swept through high school, especially. Our weekly Bible studies led by seniors maintain that lesson. Our worship sessions captivate that sweet feeling of letting go and trusting God. On our retreat to Pilgrim Pines, I found myself surrounded by people who embraced me for myself, as a whole. The world tends to see us only for our flaws. The people here see me. All of me. The good, the bad, the ugly and the sad. Their perception of others is truly the embodiment of Christ, and that has assisted in shaping me.

I find the little things of SSCA tug at my heartstrings the most: stargazing in New Hampshire with my friends, up until the dawn discussing the little life that we live; study hall breaks with Mr Young when we upperclassmen go outside and play with the kindergarteners; festivals celebrating the ethnic diversity at our school, enjoying feasts and music; late night bus rides returning from a basketball game, food in hand and sleep on the brain; Mr Dagley voicing his advice when I've had a particularly rough day. When I take a breath and peruse through the memories of SSCA, I realize that this school will always have a special place in my soul.

PRESCHOOL

3 – 4 YEARS

Our Preschool program serves students **beginning at 3 years old.**

This play-based program provides a **nurturing environment** where each child has the opportunity to grow and develop at their own pace through individualized instruction. We believe that learning should be a joyful experience, and our program is designed to **foster curiosity, creativity, and a love for learning.** Through hands-on play and sensory exploration, children develop essential skills while also building a strong foundation in biblical teachings.

Each week, children participate in chapel, a special time where they gather as a community to **learn Bible stories, sing songs, and reflect on God's love.** Biblical principles are woven throughout the daily lessons, helping children understand values such as kindness, respect, and love for others.

Our primary academic program runs from **8:30 AM – 11:30 AM each day**, with a rolling drop-off time beginning **as early as 7:30 AM at no additional charge.** Families may choose between half-day or full-day options. The full-day program extends from **11:30 AM – 2:45 PM**, during which preschool students have the opportunity to rest and recover from their busy morning, along with exploring new areas of play-based learning. Preschool students are also eligible for our **after-school program**, which runs from 3:00 PM – 6:00 PM. *Please note that the cost of the after-school program is not included in tuition.*

Families can enroll for **two, three, or five full days or half days.** Students can attend afternoon sessions each day they are enrolled in the morning program, but cannot attend an afternoon when they are not enrolled in that morning.

PRE-K

4 YEARS

Our **award-winning Pre-Kindergarten** is for students that are 4 years old by September 1st of the school year during which they will begin the program.

The program is designed to **nurture the whole child—mind, body, and spirit**—through sensory-rich activities, character-building lessons, and a strong foundation in biblical teachings. We recognize that at this stage, children are not only learning foundational academic skills, but also developing **social, emotional, and spiritual intelligence**. Our program creates a dynamic, engaging, and supportive environment that promotes learning through the senses, encourages personal responsibility, fosters friendships and respect, and incorporates the Bible into every subject.

Each week, children gather in the chapel to hear Bible stories, sing songs, and reflect on God's love. Biblical values like **kindness, respect, and love** for others are woven into everyday lessons, helping children grow spiritually and socially.

Pre-K program runs from **8:30 AM – 2:45 PM** each day with a rolling drop off time that begins as early as **7:30 AM at no extra charge**. Pre-K students are also eligible for our after school program that runs from 3:00 PM – 6:00 PM. The cost of the after school program is not covered in tuition. Families can choose between two, three, or five days.

GRADES K-5

ELEMENTARY EXPERIENCE

Our elementary school program offers a vibrant curriculum rooted in biblical principles, designed to foster both spiritual growth and deep learning. With a strong focus on individual development, our students are challenged to grow within in a supportive environment.

By the end of **kindergarten**, students are writing full sentences, setting a solid foundation for literacy. **First-graders** dive into early readers and begin their multi-year study of Latin. **Second-graders** read chapter books with confidence and comprehension, while **third-graders** master their math facts and write paragraphs with topic sentences and supporting ideas. **Fourth-graders** can read and analyze novels and write five-paragraph stories, and **fifth-graders** can write full essays and add, subtract, multiply, and divide fractions. Throughout their education, children not only grow academically but also spiritually, as biblical teachings are integrated into every subject.

In addition to classroom learning, students participate in weekly **chapel**, where they worship together. They also enjoy **specials** including art, music, STEM, and Spanish – experiences that help cultivate creativity, critical thinking, and well-rounded skills. Our commitment to excellence ensures that students receive a well-rounded education that prepares them for success both in their academic pursuits and their Christian faith.

Our art class provides students with opportunities to express their creativity, while our music class includes two concerts each year, where students showcase their musical talents. Spanish instruction further enriches their global awareness and communication skills. STEM gets kids working on computer literacy, robotics, and coding. We also offer optional afterschool programs, including drama, sports, STEM, art, first-aid, and more, ensuring that there is something for every child to enjoy and explore.

Our Christian elementary school program is designed not only to foster academic growth but also to nurture spiritual development and character building in a supportive, faith-filled environment.

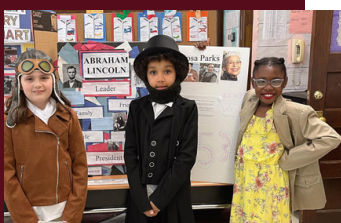

ELEMENTARY CAPSTONES

Our elementary school program features exciting capstone projects that showcase their learning through an interactive exhibition at the end of each elementary year, honing their presentation skills as they share their expertise with a real audience of family and friends.

During **Kindergarten Graduation**, students are celebrated before they move up to the 1st grade. They recite poetry and Bible verses, sing songs in various languages, exhibit their artwork, and share their learning with family and friends.

For **First Grade's** capstone project, students create detailed animal habitat dioramas, bringing their chosen creatures and environments to life. They research their animal's diet, behaviors, and natural surroundings, then use their findings to design a miniature habitat that reflects what they have learned.

For **Second Grade's** Author's Experience, students step into the role of real authors and illustrators, collaborating to write, revise, and publish a one-of-a-kind class book.

During this Wax Museum, each **Third Grade** student dresses up as a historical figure. They begin by researching their person's life, accomplishments, and historical impact. During the event, they answer visitors' questions in character!

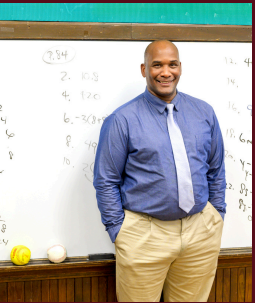

In **Fourth Grade's** Invention Convention, students become inventors! Each student identifies a real-world problem, conducts research, and develops a creative solution. Using their findings, they design and build an original invention, demonstrating both innovation and critical thinking.

During Grade Five Recognition Night, **Fifth Grade** students are celebrated before they move up to Middle School. They enact their favorite moments and lessons from the year, share music and artwork, and present exhibits on various topics.

GRADES 6-8

MIDDLE SCHOOL EXPERIENCE

The middle school years are a transformative period in a young person's life, marking the shift from childhood to adolescence. During this time, students are shaped by experiences that influence their self-perception and understanding of the world, equipping them to thrive in it. At SSCA, our Middle School program is intentionally designed to challenge and inspire young minds while providing a caring and supportive environment.

In addition to core subjects such as Math, English, Lab Science, History, and Bible, SSCA Middle School students take courses in Introduction to Spanish, Robotics and Coding, P.E., Student Wellness, Art, and Music. They also have the opportunity to engage in a wide range of extracurricular activities during Flex Block, enriching their overall experience.

At SSCA, faith and character development are central to our educational approach. As students explore their social identities, our dedicated faculty guides them in understanding what it means to live a life that values others and honors God. Micah 6:8—calling for justice, mercy, and humility—serves as a foundation for every subject, ensuring that students see the connection between academic learning and moral integrity.

MIDDLE SCHOOL DISTINCTIVES

CONNECTING: Middle School Retreat

There's no better way to start the school year! This overnight trip to a beautiful lakeside camp is all about connecting with each other and with God through awesome field games, swimming and canoeing, singing and eating s'mores around a campfire, worshipping together in chapel services, sharing in small-group discussions, and lots of fun and hilarity!

EXPLORING: Science Night

Put on your lab coats! During this annual public exhibition, 6th graders collect data through experimentation, 7th graders present their research, and 8th graders teach guests about scientific topics.

REACHING OUT: Interterm

Let's explore how our learning connects with the world around us! Every other year, middle school students delve into an intensive, week-long, off-campus adventure in learning, leadership, and service. Sixth graders experience the sights and sounds of Boston. 7th and 8th graders head to Washington, D.C., for an unforgettable series of experiences in leadership, history, and service.

LEADING: Prefect Council

The Middle School Prefect Council is student leadership at work. Students collaboratively organize social and service events, facilitate communication between the student body and administration, and advocate for new initiatives and policies.

BUILDING COMMUNITY: Middle School Activities

Having fun together is a great way to build community! The opportunities are practically endless: the much-anticipated "lock-in" game nights, a range of athletic teams, academic competitions, Grade 8 Recognition Night, and more! It's about sharing a series of unforgettable experiences with people we care about, making great memories, and growing into a community.

GRADES 9-12

HIGH SCHOOL

High School is a critical period when students transition into adulthood, preparing them not only for college but for life. SSCA's academic program is designed with these goals in mind.

Throughout high school, students take honors or advanced courses taught by faculty with advanced degrees in their fields. A key focus is developing strong oral and written communication skills. SSCA graduates are proficient in reading, writing, and speaking.

Upper-level humanities courses use the Harkness Method, which encourages students to explore and share ideas with guidance from trained teachers. This approach has proven successful in preparing students for higher education and has contributed to their success at top colleges and universities. Students also engage in leadership and pursue personal interests in various clubs during Flex Block, from theater and music to engineering, programming, and student organizations like the Prefect Council and National Honors Society.

We encourage students to integrate their learning and faith, with faculty modeling this in their own lives. We believe all aspects of the intellect should serve Christ and others. Our graduates are well-prepared to lead lives of faith that bring goodness to their families, communities, and the world.

The senior year culminates in a Senior Capstone project, an in-depth research study of a current topic from the perspective of Micah 6:8, followed by a month-long community-based internship, where students apply their vision of service through work and service.

CHAPEL

Every week, students in grades 6-12 gather for a chapel service where they worship together. The chapel band, made up of high school students, leads worship through singing and instruments, followed by an encouraging message.

LEADERSHIP OPPORTUNITIES

We offer students the opportunity to develop leadership skills through participation in student organizations such as Worship Band, Prefect Council, or Student Ambassadors. These organizations plan activities, work with administration on student conduct, and serve as the face of SSCA for prospective students and families.

SENIOR INTERNSHIPS

At the end of their senior year, each student is required to complete an internship in a field they are interested in. This provides valuable real-world experience outside the classroom before heading to college and choosing a degree. The month-long program is a mandatory requirement for graduation.

SENIOR CAPSTONE

The Senior Capstone Project is a long-term, interdisciplinary, independent study assignment that serves as the culmination of a senior's intellectual experience at SSCA. As a long-term project throughout their senior year, students will identify a topic, submit a proposal for investigation, craft a thesis statement, conduct research, submit a final paper, and give a final presentation. This is a requirement for graduation.

A photograph of a young person with dark, curly hair, wearing a white t-shirt with an 'SSCA' logo, sitting at a chessboard. They are looking down at the pieces, with their hand near their chin in a thoughtful pose. The chessboard is light-colored with dark and light squares. The background is slightly blurred, showing what appears to be a school setting.

SPORTS & ACTIVITIES

SPORTS

Our athletics programs equip student athletes with skills for lifelong fitness and self-esteem, while fostering Christian character through competition and teamwork. The lower school program develops skills and character through physical education and sports clinics, while the upper school offers seasonal team opportunities.

At SSCA, high school sports cater to all skill levels, ensuring every athlete finds a rewarding place. As an independent school, we have the flexibility to compete against other Christian and local public schools.

Student athletes are expected to maintain high academic standards and represent the school with integrity.

CLUBS

During the daily flex block, students can participate in a variety of clubs and activities ranging from leadership and service, like HS and MS Prefects, SOCA, NHS, and Student Evangelism Club, to creative and performance-based pursuits such as Theater, Choir, Chapel Band, Collage, Creative Expressions, Graphic Design, and 3D Modeling & Printing. There are also opportunities for strategy, problem-solving, and academic enrichment through Chess Club, Debate Club, and Path to Medicine Club, along with fitness and teamwork with SWEAT (step team). Students can explore entrepreneurship, yearbook production, and other engaging interests that foster skills, collaboration, and personal growth.

RETREATS

To kick off the school year, our high school students go to a retreat center in New Hampshire for three days in September.

Through experiential talks, small group discussions, personal and communal prayer experiences, and outdoor activities, students are encouraged to open themselves to grow as young men and women rooted in faith and community, who are called to serve others. Students will have the opportunity to dive into the Word together and to participate in fun activities such as field games, hiking, singing by the campfire, and more!

THE ARTS

Micah 6:8 leadership involves advancing God's restorative purposes, including through the arts, which are essential in shaping young people of Christian character.

Students take general music classes from preschool to grade 8, developing musical literacy and appreciation for global styles, while learning to make music with various instruments. SSCA is well-equipped with keyboards, guitars, ukuleles, Orff instruments, and African and Latin rhythm instruments.

Visual arts classes are offered each year, from general art in lower and middle school to advanced courses in high school, with additional electives during flex block for middle and high school students.

Choir, theater, and chapel band are available for middle and high school students, and the after-school theater program (included in tuition) stages two productions annually. Instrumental lessons are also available for an additional fee.

Student engagement with the arts at SSCA fosters creativity and encourages them to live out the mandates of Micah 6:8 through their artistic endeavors.

INTERTERM

Interterm is a key component of the SSCA Upper School curriculum, held every other year during the Spring semester. This week-long, out-of-the-classroom experience engages students in issues of faith, leadership, and service, with distinct focuses for different grade levels. The High School Interterm focuses on faith and service. This required program is an essential part of SSCA's educational experience.

Grades 9-10 focus on a regional educational study of challenges to authority in American History, with a trip to Pennsylvania. The Grade 11-12 Interterm experience is highlighted by a transformative service trip to Belize, where students work on projects at a local school. Alternatively, 11th and 12th graders can opt for "Creation Care," a local environmental education program.

2026-2027 TUITION & FEES

PRESCHOOL TUITION

DAY	FULL DAY (8:30-2:45)	HALF DAY (8:30-11:30)
5 DAYS (M-F)	\$13,042	\$8,352
3 DAYS (M,W,F)	\$8,554	\$5,740
2 DAYS (T,TH)	\$6,271	\$4,395

*2% discount applied if paid in full by July 1

You have the option of adding an afternoon to a half day session for \$908 per afternoon. Afternoons must be identified at the beginning of the school year.

PRE-K TUITION

DAY	FULL DAY (8:30-2:45)
5 DAYS (M-F)	\$13,050
3 DAYS (M,W,F)	\$9,195
2 DAYS (T,TH)	\$7,175

*2% discount applied if paid in full by July 1

KINDERGARTEN – GRADE 12

GRADE	TUITION
K-5	\$13,050
6-8	\$15,640
9-12	\$18,358

*2% discount applied if paid in full by July 1

Are there other costs that are not included in the tuition?

INCLUDED IN TUITION:

Field Trips and Special Learning Experiences, Sports Participation, Middle School Retreats, High School Retreats, Theater, Art, and Music, Books (Except for some AP Classes), Graduation Expenses

NOT INCLUDED IN TUITION:

Enrollment Fee (\$250), Uniforms, Optional After-school Enrichment Programs, After-School Care, Upper School Interterm Trips, Books for some AP classes, Lunches, Private Instrument Lessons

Tuition can be paid in full by July 1st for a 2% discount, or deducted monthly through a payment plan.

For questions regarding tuition, reach out to our finance office: narchambault@southshorechristian.org

DISCOUNTS & AID

MULTI-CHILD DISCOUNTS

MULTI-CHILD FINANCIAL AID	TUITION
2ND CHILD TUITION DISCOUNT	25%
3RD CHILD TUITION DISCOUNT	35%
4TH CHILD TUITION DISCOUNT	40%

Alumni receive **25% tuition remission off first student**. Parent/guardian must be a graduate of SSCA and child must be a legal dependent.

Pastors receive **25% tuition remission off first student**. Parent/guardian must be a full-time pastor employed by a church in a ministry capacity.

FINANCIAL AID

70% of students at SSCA receive financial assistance, and our financial aid program is critical in making our educational program accessible for families from diverse circumstances.

To apply for financial assistance, please visit our website. The online financial aid application is processed on a rolling basis. For returning families, the first-priority deadline for Financial Aid applications is December 15, allowing Financial Aid applications to be reviewed by the Financial Aid Committee ahead of parents' February 1 withdrawal deadline. The second-priority deadline for Financial Aid applications is March 15 so that applications can be reviewed by the Financial Aid Committee ahead of parents' May 1 final withdrawal deadline. Financial Aid applications can still be reviewed after these deadlines, but late withdrawal penalties and/or full tuition commitments will still apply regardless of the Financial Aid Committee's decisions regarding aid.

Financial aid varies each year and is awarded, as available, based on need. Please note that discounts are applicable to tuition only and are applied after any aid award. There is a \$250 enrollment fee for all new SSCA students, payable at the time of enrollment.

ADMISSIONS PROCESS

1

INQUIRE

Submit an inquiry to let us know you're interested in SSCA. Our Admissions Team will follow up with next steps and answer any initial questions.

VISIT THE SCHOOL

Schedule a tour or attend an Open House to experience our campus, meet our staff, and learn more about our programs.

2

3

SUBMIT APPLICATION

Submit an application by the deadline.
Application fee is \$60.
*Scan QR code to apply online

ENTRANCE TESTING/SCREENING

Preschool - Grade 5: Students complete an on-site assessment with our faculty.
Grades 6 - 12: Students submit SSAT or ISEE scores

4

5

SCHOOL TRANSCRIPT

Complete the *Release of School Records* form and submit it to your child's current school guidance office.

WARRIOR FOR THE DAY

Grades 1 - 12: Applicants are invited to spend a day on campus, attend classes, and experience student life as a "Warrior".

6

7

PARENT/GUARDIAN INTERVIEW

Preschool - Kindergarten: Scheduled on the same day as the entrance screening.
Grades 1 - 12: Conducted during the "Warrior for a Day" visit

ENROLL!

If your student is accepted, you will have the opportunity to enroll by the deadline!
(Enrollment fee is \$250)

Questions? admissions@southshorechristian.org

Statement of Faith

South Shore Christian Academy is committed to historic Biblical orthodoxy as expressed in the historic church councils and creeds. It welcomes serious Christians from all of the Christian faith traditions. It seeks to be theologically orthodox, evangelical in character, and catholic in spirit. Its Statement of Faith is considered primary doctrine. On other matters, deference is given to parents and their churches.

- We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
- We believe there is only one sovereign God, eternally existent in three persons—Father, Son and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in his virgin birth, in His sinless life, in His vicarious atoning death through His shed blood, in His physical resurrection, in His ascension to the right hand of the Father, and in His personal return to power and glory.
- We believe in the necessity of regeneration by the Holy Spirit because of the sinfulness of human nature.
- We believe that the salvation of man is by the grace of God and that man is justified through faith in the redemptive work of the Lord Jesus Christ.
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
- We believe in the resurrection of both the saved and the lost; those saved unto the resurrection of eternal life, and those lost unto the resurrection of damnation.
- We believe in the spiritual unity of believers in the Lord Jesus Christ.
